St. Andrew the Apostle Parish
12 N. Board Street
Waynesboro, PA 1726

Dear Parents,

Welcome to St. Andrew Catholic School!

In its baptismal ceremony, the Church affirms that "parents are the primary educators of their child(ren). As a Church community, we form a partnership with parents through St. Andrew School, whose mission it is to offer a full faith environment that promotes Catholic teaching and values. In our school, students have the opportunity to learn and share about their faith in all their activities: Mass, other liturgies, prayer, and in all their studies. We strive always to witness to the power of love and mercy and justice.

Our school provides an atmosphere that allows the love of Jesus to be lived out in everyday life. Many hours of your children's lives are spent in school. I know that our teachers are not only teaching the basics of a good education but also are teachers of the soul, by speaking and living their faith in the classroom. Not only are they speaking of how mathematics, study and health are important but also how we discover God in all aspects of our lives. As our children grow academically, they also grow in faith. Visiting our classrooms, I see how much they grow. Our teachers continually strive for excellence as they mold the young minds of future generations.

We have the personal touch—seeing each child and person in our community as gifted and valuable children of God. The skills and dedication of our staff, teachers and parents make our school a wonderful place for our children to learn and practice our Catholic faith, in addition to acquiring all of the necessary academic and social tools to equip them for a productive life in our world.

The enclosed information pack is provided to help answer many of your questions about our parish school and the ways we ask you to be involved in your child's education and in support for the educational mission of our parish (for example: service hours, SCRIP cards, donations, involvement in the HSO, etc.) By listening to you and accommodating many different situations, we have created policies that provide you with more options and flexibility.

Remember that parishioners who are active in their Catholic parish (i.e. registered, attend weekly Mass, and who financially support the parish) receive a reduced tuition rate, and the enclosed papers explain how much Saint Andrew the Apostle Parish subsidizes your child's education. This is why every Catholic family requesting "Active" tuition MUST have the Pastor sign the recommendation form BEFORE they begin paying the reduced tuition rate. Please understand that tuition should never be a barrier. We want to do our very best to welcome every child who seeks a Catholic education into our school. Come and talk to me.

Mrs. Salmon and I are always available to you, and we look forward to opportunities to hear from you and discuss with you any concerns or accolades that you may want to share.

I look forward to another great year and pray that this summer will be a time of rest, recuperation and growth in the love of God.

Sincerely yours in Christ,

Fr. Robert Malagesi, MSSCC Pastor
