## **ACCESS TO RECORDS**

Pennsylvania law requires that all school district records be open for inspection by citizens of the Commonwealth. However, the Family Education Rights and Privacy Act limits access to student records. Saint Andrew Catholic School has adopted the following policy to insure confidentiality of student records.

1. Parents may request to see their child's records by contacting the principal to arrange an appointment. The principal or a teacher will review the records with the parent. The school may not release records of a minor student to anyone without written parental consent except to:
  - school officials, including teachers, who have legitimate educational interest.
  - officials of other schools in which the student has enrolled.
2. In the absence of a court order to the contrary, the school will provide a noncustodial parent with access to the academic records and other school related information regarding the child. Requests for copies of records must be made in writing to the school. The school will comply within 45 days of initial request. There is a \$10 processing and mailing fee for copies of records.
3. It is the responsibility of the custodial parent to provide the school with an official copy of any court orders or legal agreements regarding access to educational records.

## **ACCIDENTS**

For minor accidents first aid will be given in school. If there is a more serious injury, every effort will be made to contact the parents, or any authorized person listed on the school emergency card. For this reason, it is essential that the emergency cards given at the beginning of the school year be completed and returned promptly and that any change in information be sent to the school office.

If an emergency exists, the student will be taken to the hospital by ambulance and efforts to contact the family will continue. If no authorized person can be reached, the school will seek the care necessary, and parents will be responsible for any expense incurred.

## **ADMISSION**

Saint Andrew Catholic School admits students of any race, color, religion, national origin, sex, age (in accordance with the law), or disability (if, with reasonable accommodation, the disabled person can function in the school environment) to all rights and privileges accorded students in the school. ## **ACCEPTABLE USE POLICY**

Online communication is critical to our students' learning of 21st Century Skills and tools such as blogging and podcasting offer an authentic, real-world vehicle for student expression. However, such technologies can open up real dangers to students. So, expectations for classroom blogs, wikis, student protected e-mail, and podcast projects or other Web interactive tools is educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response. General Guidelines for Internet Safety follows:

### **Blogging/Podcasting Terms and Conditions:**

- The use of blogs, wikis, podcasts or other web 2.0 tools is an extension of a classroom and school. Therefore, any speech that is considered inappropriate in the classroom is also inappropriate in all uses of blogs, podcasts or other web 2.0 tool. This includes but is not limited to profanity; racist, sexist, or discriminatory remarks.
- Students using blogs, podcasts or other web tools are expected to act safely by keeping ALL personal information out of their posts.

- A student should NEVER link non-school sites that are hosted on remote, non-school web servers from your class's blog or wiki. Example: personal Instagram or Facebook pages.
- Any personal blog a student creates in class is directly linked to the class blog which is typically linked to the student profile, and therefore must follow these blogging guidelines. In addition to following the information above about not sharing too much personal information (in the profile or in any posts/comments made), students need to realize that anywhere they use that login it links back to the class blog. Therefore, anywhere that login is used (posting to separate personal blog, commenting on someone else's blog, etc.), the account should be treated as a school blog and follow these guidelines. Comments made on blogs are monitored and will be deleted when inappropriate.
- Never link to web sites from your blog or blog comment without reading the entire article to make sure it is appropriate for a school setting
- Students using such tools agree to not share their usernames or password with anyone besides their teachers and parents and treat blog spaces as classroom spaces. Speech that is inappropriate for class is also inappropriate for a blog.
- Students who do not abide by these terms and conditions may lose their opportunity to take part in the project and be subject to consequences spelled out by the student handbook.
- Students should respect and protect the intellectual property of others by not plagiarizing or infringing on copyrights on any school computer or through the use of web 2.0 tools. (No making illegal copies of music, games or movies)  
Internet Safety Rules for Children
- Don't give out information about yourself like your last name, phone number, address or school – without asking your parents first.
- Never e-mail a picture of yourself to strangers.

- Be suspicious of those who want to know too much. There's no rule that says you have to tell them where you live or anything else personal. Trust your instincts. If someone makes you feel uncomfortable, leave.
- Avoid chat rooms or discussion areas that look sketchy or provocative, and don't let people online trick you into thinking of them as real-life friends if you've never met them in person. If somebody says something to you that makes you uncomfortable or if somebody sends you something or you see something that makes you uncomfortable, don't look around or explore: Get your parents instead – they know what to do.
- Making plans to meet your Internet buddies in real life is usually a bad idea. If you decide to do it anyway, have your parents help make the plans and go with you.
- Don't open e-mails, files or Web pages that you get from people you don't know or trust. The same goes for links or URLs that look suspicious – don't click on them.
- Don't give out your password, except to responsible adults in your family.
- Be honest about your age. Membership rules are there to protect people. If you are too young to sign up, do not attempt to lie about your age.
- Talk with your parents about alternative sites that may be appropriate for you. Teachers are expected to teach Internet Safety protocols to all students on a yearly basis.

### **CELEBRATIONS**

Students who wish to share a birthday treat with classmates may do so if the following procedures are met...

- Parents must contact teacher ahead of time to ensure a class count, an appropriate date and time and also ensure there are no special allergies.
- There must be a treat for every student in the class.
- Parents should drop off treats in the school office and the secretary will contact the teacher to let him/her know it is here.
- Store-bought treats are preferred.
- Birthday treats will be shared with classmates during the lunch or snack period (teacher's decision).
- Failure to follow procedures may result in the treat being sent home.

### **CHAIN OF COMMUNICATION**

Problems, concerns, or complaints should be handled in a timely manner via phone call, zoom meeting, note, or email with those directly involved. If further resolution is required, the principal should be contacted but only after all other avenues have been pursued.

### **CHANGE OF ADDRESS OR TELEPHONE NUMBER**

Parents are asked to report any address or telephone number changes to the office as soon as possible. If a family has an unlisted telephone number and would not like it released, that family will notify the school office.

## **CHRISTIAN PRAYER LIFE**

The atmosphere of Saint Andrew Catholic School reflects the spirit of a Christian lifestyle. The faculty and students strive to form a faith community in which all practice living according to the teachings of Jesus.

All students participate in school liturgies twice a month, on holy days of obligation, and on special feast days. Students can experience the Father's love and forgiveness periodically in the sacrament of Reconciliation.

Formal prayer is an essential part of each day. Students are encouraged to pray spontaneously for the needs of the world and their own concerns. Prayer services and seasonal devotions are also conducted throughout the year.

## **CLASS FIELD TRIPS**

As part of the educational program of our school, students may be taken on field trips. Such trips may be made only with the parent's written permission. Students who fail to submit a proper permission slip will not be allowed to participate in the field trip. Telephone calls may not be accepted in place of a written permission slip.

Field trips are privileges afforded to students. A student who fails to meet academic or behavioral standards may be denied participation in a field trip. Students not going on the field trip are to report to school at the regular time. Students going on a trip may only be transported on a public, licensed carrier.

The school does their best to budget trips so that there is no cost to families. With the rising costs due to inflation, particularly gas prices for busing, parents may be asked to pay a minimal fee of \$5-10 for field trips. If there is a hardship, please contact our school office for assistance.

### **DAILY TIME SCHEDULE**

#### **Grades PK through 8**

8:35 AM- School begins

3:10 PM- Dismissal

**Morning arrival:** Teacher supervision begins at 8:15 AM Children should not arrive before this time. Students arriving after 8:35 AM are considered tardy.

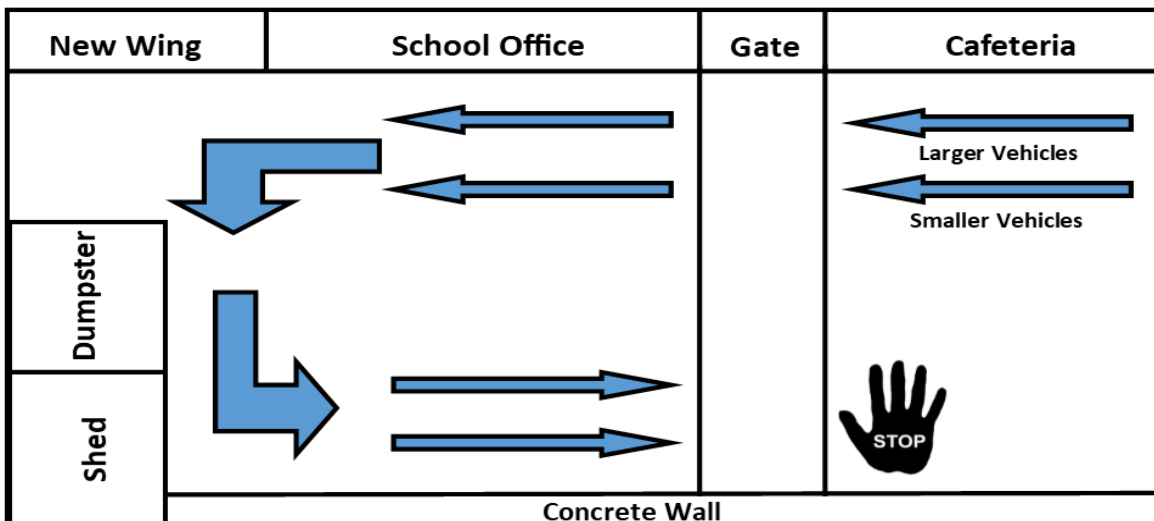

**Dismissal:** Parents are not to enter the school building at dismissal. For safety purposes, all students will leave the school building the appropriate supervised door or through the front door of the school. Parents waiting to walk children home should wait by the steps at the back entrance of the school.

**Walkers** who cross the street must cross at the intersection of Broad and Main Streets and should be accompanied by an adult. A teacher is available to accompany students across the intersection at dismissal.

**All car riders** must exit through the **designated door**. Children who are transported by car should be picked up between 3:10 PM and 3:30 PM. Students who have not been picked up by 3:35 PM. will be sent to After School Care. Parents are asked **NOT TO LINE UP PRIOR TO 3:05 P.M.**, as it interferes with PE classes outside.

**Back parking lot** pickup follows a special procedure diagrammed below. The need is to get cars onto the school parking lot and off Broad Street while maintaining the safety of our students. Drivers enter the parking lot forming two lines. Larger vehicles will find that they can turn more easily if they are in the outside lane, closer to the school building. Cars go past the building and turn at the end of the lot as if preparing to leave then stop at the crosswalk. The child's last name should be prominently displayed in the window. Children who are waiting for their ride will be called from the cafeteria and safety patrol members will escort them safely to their car. All drivers will wait for the teacher's direction before moving their vehicle toward the right turn onto North Broad St.

**REMEMBER:** Do not stop and block the crosswalk. Do not move a vehicle until instructed to by the designated adult on duty. And please do not park in the "no parking" spots along the school or the concrete wall between 2:45 PM and 3:40 PM. because it will interfere with the flow of traffic.

**Other:** Students are not permitted to leave the school after arrival in the morning or at any other time during the day, except in event of sickness or similar emergency. In such cases, the parent must report to the office to sign the child out. The child will then be called to the office to be dismissed. **NO STUDENT WILL BE ALLOWED TO WAIT OUTSIDE THE SCHOOL BUILDING. CHILDREN MUST BE PICKED UP IN THE OFFICE.**

To be dismissed early during the day for reasons other than illness, a written statement from a parent must be sent to school the day of the early dismissal. The student must be signed out in the office before the child is retrieved from the classroom. If someone other than a parent will be picking up the student, this should be included in the note. **Parents are urged to schedule doctor and dental appointments outside of school hours.**

The safety of the children is our primary concern in establishing arrival and dismissal procedures. Due regard for the safety of our students requires that unsupervised children may not remain on school property before or after school. It is understandable that emergencies will arise which affect the timely drop-off or pickup of students. A note or call to the office will allow the school to provide the necessary supervision for students. Your cooperation is appreciated.

### **DISCIPLE OF THE MONTH**

Every month we celebrate First Friday Mass as a community. Each month a student from each grade is chosen who embodies what it means to be *Disciple on the Month*.

A disciple is a follower, one who accepts and assists in spreading the doctrines of another. The disciple of the month is a student who emulates and demonstrates the character of Jesus Christ. The fruits of the spirit are shown through their actions namely: chastity, faithfulness, generosity, gentleness, goodness, joy, kindness, love, modesty, patience, peace, self-control.

The Holy Spirit will prompt them to examine their thoughts, words and actions and compare them with the Word of God.

### **DISCIPLINE**

As an institution for learning founded on Christian principles, Saint Andrew Catholic School embraces the philosophy that discipline should be positive and constructive. It is our aim to cultivate our students' goodness as children of God by fostering within them a sense of right and justice with respect and love for everyone. When our students do misbehave, they will be dealt with immediately and with action taken according to the seriousness of the offense. Corporal punishment is never allowed. All policies are mandated through the Diocese of Harrisburg. For details on student discipline policies, please visit [www.hbgdiocese.org](http://www.hbgdiocese.org).

Conflicts are a normal and healthy part of living and growing. We encourage students to handle conflicts with the goal of reconciliation and working together toward a solution.

Teachers have the right and duty to establish procedures to effectively enforce the Student Code of Conduct. In all cases, the rights of the individual student will be seriously considered; but when the individual interferes directly or indirectly with the rights of others, appropriate steps must be taken.

Students are to be referred to the principal for serious infractions. Examples of some of these include violence toward others, vandalism, persistent theft, use of a controlled substance, gross

disrespect to school personnel, meaningful threats (verbal & written), etc.

When repeated or serious infractions continue to occur, further action will be necessary. A teacher may assign a student to recess or after school detention. A written notice from the teacher and signed by the principal must be sent home, signed by a parent, and returned. The student then remains in the office or classroom during recess or after school, under the supervision of the staff member. The following list suggests some offenses that may result in a lunch detention:

- **Fighting- including aggressive, malicious behavior**
- **Defacing property**
- **Forging another's signature**
- **Cursing**
- **Cheating**
- **Disrespectful behavior toward a teacher or any other adult**
- **Improper use of school internet**
- **Failure to follow dress code (3rd offense)**
- **Failure to do homework (3rd offense)**
- **Disruptive behavior (3rd offense)**

Suspension and expulsion are major consequences and will only be imposed for serious offenses. Only the principal or pastor can impose a suspension, and only the pastor may expel a student. All suspensions and expulsions will be reported to the Superintendent of Schools with the Diocese of Harrisburg. Decisions for major consequences will be made under the guidance and direction of the Superintendent of Schools.

Before either of these penalties may be imposed, the student must be told what he/she did, which rule he or she broke, and what evidence supports the accusation. In a meeting with the principal and pastor, the student must have an opportunity to explain or refute the charges. Additionally, a student will be required to have a professional evaluation before they are permitted to return to class if he/she poses a threat to themselves and/or someone else. Students serving an out-of-school suspension are responsible for making up any missed work.

The following are categories of misconduct that will result in a penalty of in-school suspension, out-of-school suspension, or expulsion from Saint Andrew Catholic School. These categories are general in nature and are not deemed to be all-inclusive.

<p><b><i>*All students MUST wear school uniform on days when Mass is celebrated <u>and</u> for field trips (unless otherwise directed or instructed).</i></b></p>	

Uniform Supplier: All uniforms should be purchased from our approved uniform supplier, Flynn O’Hara.

Labeling: Sweaters, sweatshirts, and jackets should be labeled with the child’s name to prevent mix-ups.

Enforcement: The administration, faculty and staff have the authority to make decisions based on the appropriateness of dress as it conforms to the dress code. It is our expectation that all

dress code requirements be followed. If necessities should arise that would require an exception to the dress code guidelines, it is requested that parents / guardians contact the school office for temporary suspension of these guidelines.

Violations: Violations of the dress code will result in a “Dress Code Violation” being sent home. Continued violations may result in a call to the parent / guardian to bring appropriate clothing to school. After three (3) violations, lunch detention will be assigned.

Uniform Swap: Saint Andrew Catholic School has a long-standing tradition of a “uniform swap.” At various times during the year, there will be an opportunity to “swap” uniforms with other students to accommodate size changes and to limit the resulting economic impact on families.

### **EMERGENCY DRILLS**

- Fire drills are held monthly through the year to ensure that each student is aware of fire exits and alternate exits. Students are instructed in proper fire drill procedures so they will be prepared to evacuate the building in a quiet, orderly, and efficient manner.
- Severe weather, earthquake, lock downs, and offsite drills are also conducted periodically so children will be aware of proper procedures should an actual emergency occur.
- Misbehavior during a drill may result in a call home and/or a lunch detention notice.

### **EMERGENCY SCHOOL CLOSINGS**

For information about school closings or delays, consult the school website. Parents may also opt in to receive a phone/text/email message from our emergency notification system. Local radio and television stations will broadcast information concerning delays or cancellations as well. Parents are asked not to call the rectory or school. Saint Andrew School is included with the Waynesboro Area School District and may not be announced separately. **See FID for more information pertaining to expectations.**

### **EXCUSED ABSENCES FOR TRIPS**

Vacations and excursions scheduled for days when school is in session are **highly discouraged**. If it is imperative that children be taken out of school for 3 or more days, parents must request **PRIOR** approval from the principal. Neglecting to obtain administrative approval for the trip will result in unexcused absences for missed days. The following procedure should be followed:

At least **TEN DAYS in advance** of the trip, parents will submit a written request using the form provided in this handbook. The form can also be downloaded from the school web site or obtained from the school office. Parents will be asked to define the nature of the activity, its duration, and purpose.

Once the form has been received, the principal will approve or deny the request and notify the parents. The cumulative number of days for educational field trips shall not exceed **five** school days **for the entire school year or they will be considered illegal absences and could be subject to truancy fines.**

## **FACULTY**

The faculty is composed of qualified lay teachers who provide a Catholic education according to diocesan and state regulations.

## **FINANCIAL OBLIGATIONS**

All family financial obligations must be satisfied before the end of each year. This includes tuition, ATP, Extended Care fees, or fees associated with any activity. Students must pay the replacement value for lost or damaged books, Chromebook, kindles, calculators, etc. If financial obligations are not satisfied prior to the start of the following school year, students will not be eligible to return to Saint Andrew Catholic School.

## **FLEXIBLE INSTRUCTION DAYS (FID)**

The PA Department of Education has granted each school entity in Pennsylvania the option of using a Flexible Instructional Day in place of up to a maximum of five snow days. Students must complete activities assigned by the school. The children will have three days to complete assignments and/or activities. Upon the three-day grace period, parents will be asked to submit evidence (Google Form) that their child has completed the tasks.

Our school must have a minimum of 80% of the student body submit evidence to have the snow day counted as an instructional day which would eliminate the need for making up the missed day.

The principal will provide an FID matrix grid to families in early fall both in paper and electronically. When a weather-related emergency is necessary, the principal will communicate that it is an FID. Activities and assignments will include all elements of our typical day (academics, service, collaboration, arts, etc.). Teachers will be available by email between 9:00 AM – 3:00 PM.

Once the five Flexible Instructional Days have been exhausted, any further weather-related closing will result in a virtual learning day.

## **GRADUATION AWARDS**

**Presidential Awards-** The standards for the Presidential Awards are set by the U. S. Department of Education.

The *Presidential Award for Academic Excellence* is given to graduating eighth graders who have maintained at least a B+ (90%) average, scored in the 75th percentile or better on standardized testing in math or reading, and achieved a record that demonstrates high motivation, initiative, integrity, intellectual depth, and leadership qualities.

The *President's Award for Academic Achievement* recognizes graduating eighth graders who have shown outstanding educational growth, improvement, or commitment in their academic subjects but do not meet all the criteria for the Award for Academic Excellence. It is intended to reward students who work hard and give their best effort in school.

**American Citizenship Award-** This award is bestowed upon an eighth-grade student(s) who participate(s) in school and/or community service, shows a positive attitude toward classmates, school, and community, displays an understanding and appreciation of civic responsibility, possesses strength of character and the courage to do what is right, and promote citizenship with their school or community through other activities. This award is chosen by the school principal with the recommendation of the classroom teachers.

**St. Andrew Christian Spirit Award-** One eighth grader is selected each year to receive the St. Andrew Christian Spirit Award. This student is chosen by classmates as the student who best exemplifies the fruits of the Holy Spirit - love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

### **GRADUATION/SEPARATION REQUIREMENT**

Upon completion of eighth grade, students in the schools of the Diocese of Harrisburg may be presented with one of two documents:

1. **Dipolma**- Indicating satisfactory completion of the prescribed course of study for the elementary schools of the diocese. A student is considered average of "70" in all major subjects.
2. **Certificate**- indicating a completion of the basic requirements prescribed for the elementary schools of the diocese.

Determinations concerning these individual awards should be made by the eighth-grade teacher in conjunction with the school principal, applying the same diocesan norms as those set forth for the promotion and retention of other students.

### **HEALTH AND SAFETY POLICY**

Saint Andrew Catholic School receives the weekly services of a school nurse provided by the Waynesboro School District. School health cards for each child are kept on file in the school office. All parents are asked to cooperate in keeping these records accurate and current by completing and returning all forms sent home with the children.

State law requires a physical exam for all students in kindergarten, grade six, and transfer students from outside the state of Pennsylvania.

A hearing test is given to students in kindergarten through third grade annually. Students from other grades are tested if they are new to the school, if they have a known hearing loss, or on the request of a parent or a teacher.

All students receive height, weight and vision checks annually.

A dental exam is required for students in kindergarten through third grade and for all transfer students.

Maturity lessons are offered to **fourth** grade boys and girls under the supervision and guidance of the school nurse.

Theology of the Body classes are taught to eighth grade students as part of their religion instruction.

## **HOME-SCHOOL COMMUNICATION**

It is important to keep the lines of communication open between home and school. At the Parent Information Night at the start of the school year, parents have an opportunity to meet the teachers and are given information about the upcoming school year. It is the responsibility of parents to attend this meeting. Plans for meeting locations will be communicated to the school community.

Parents are encouraged to meet with their child's teacher individually to discuss progress, concerns, and/or goals. Parent conferences are held during the fall. Parents may also schedule a conference with a teacher at any time the need arises. An appointment must be made by either calling the office or sending a note or email to the teacher. In turn, teachers may request conferences as well and will do their best to accommodate a meeting time that is preferable to the parent's schedule. Conferences may be made via zoom or other video conferencing service.

Communications from the school and other important papers are sent home electronically on the weekly e-announcement. In addition, important papers will be posted to a shared Google Drive each Thursday **in a special folder titled "Important Papers."** A monthly calendar is posted to the school website to inform parents of upcoming events. Periodic newsletters from the principal keep parents informed of school news.

## **HOME SCHOOL ORGANIZATION**

The purpose of the Home School Organization is to give parents and teachers an effective means of communicating with each other and to provide the structure wherein parents and teachers can cooperate in the education process. Parent volunteers conduct the activities of the association in keeping with administrative guidelines. All parents are encouraged to participate in this organization.

Activities sponsored by the HSO include various in-school volunteer programs such as room parents and cafeteria/playground volunteers. The Home School Organization sponsors holiday activities and various fund raisers. Proceeds from these fundraisers directly benefit the school by keeping tuition costs down, providing field trips and school programs, and helping to maintain academic excellence.

## **HONOR ROLL**

Students in grades sixth through eighth are awarded honor roll based upon performance at the end of each trimester. Those receiving honor roll will receive certificates based on the following criteria:

*Gold Honor Roll*- Students who earn 93% or higher on the report card which includes all core subjects, foreign language, and specials.

*Blue Honor Roll*- Students who earn an average of 85% or higher on the report card which includes all core subjects, foreign language, and specials.

## **INSURANCE**

An optional insurance plan is offered to the students through the Diocese of Harrisburg at the beginning of each school year. If parents choose not to take the insurance, they are asked to **SIGN AND RETURN** the form from the Diocese verifying that they have been notified of the offer

## **LIBRARY**

All students are entitled and encouraged to use the library and check out books. Students will be expected to pay for books that are lost or damaged beyond reasonable repair. Periodicals and reference books may not be taken home.

## **LOCKERS**

Students in grades sixth through eighth will be assigned a hall locker. Lockers should be kept neat and clean. All lockers should be cleaned out before the final day of school. Students are responsible for providing a lock. Combinations and/or spare keys should be supplied to the homeroom teacher. Students are always advised to keep their personal locker locked. Students are not to share lockers at any time. Students may not change lockers without permission from their homeroom teacher.

Student lockers are owned by Saint Andrew Catholic School and loaned to students for their convenience. The school exercises complete control over lockers and students should not expect privacy regarding items placed in a locker. They are always subject to search. School lockers can be searched without prior notice.

## **LUNCH PROGRAM**

Saint Andrew Catholic School offers lunch for purchase five days a week from the **Waynesboro Area School District**. Milk will be offered all five days as well. Lunch choices must be made each day prior to 8:45 a.m. Lunches and milk orders will be billed on Fridays via the **STS tuition management system**.

Our lunch program is intended to provide fresher and healthier local food. Parents who provide their child's lunch are expected to follow similar guidelines to help make certain our standards are met:

- Pack a nutritious lunch from home. Include a thermos if it would be helpful.
- If necessary, drop off a well-balanced restaurant lunch only if it is meant to be served at room temperature. (subs or salads, e.g.)
- Lunches will not be heated in the microwave.
- It is preferred that all packed items be prepackaged.

Remember that

- Any restaurant lunch is to be served above room temperature.
- No lunch is allowed to contain any carbonated or energy drinks.
- Dropping off lunches must occur **prior to 11:00 AM**. Doing so will ease confusion & congestion in the office and anxiety in the student.
- Due to time and space constraints, the microwave oven and the refrigerator are not available for student use.

## **MAKE-UP WORK**

Schoolwork, tests, and homework assignments that are missed must be made up upon return to school. No school assignments will be given prior to an arranged absence. It is a school policy (K-8) that missed work will be provided **AFTER** the child returns to school, when proper instruction and guidance in new concepts can be given. Instead of actual homework, students are encouraged to read a novel during travel time, work on-line (if possible) on various school-sanctioned websites, and/or keep a journal of experiences to share upon their return.

Upon returning students are responsible for obtaining missing assignments from teachers. Students have two calendar days per one day absent to make-up assignments missed.

## **MEDICATION**

Saint Andrew Catholic School personnel are prohibited from providing or administering medication, including aspirin or Tylenol, to pupils except as authorized by parents.

Parents, whenever possible, are asked to arrange medication time intervals to avoid school hours. We realize, however, that the health of some children requires that they receive medication while at school. When medication *absolutely* must be given during school hours, these procedures must be followed.

1. All medicine that is sent to school should be taken to the school office as soon as the student arrives at school. **No medicine of any kind may be kept elsewhere.**
2. Nonprescription medicine including aspirin or Tylenol must be in the original container accompanied by a note from the parent giving permission for the student to take the medication at school. The note **must** include:
  - Name of student
  - Name of medication
  - Dosage of medicine
  - Time to be taken
  - Date to be given
  - Parent's signature
3. Doctor-prescribed medication must be accompanied by a note including the above information from the parent giving permission for the student to take the medication in school. In addition, the medicine must be in a properly labeled medicine bottle from a pharmacy or accompanied by an order from a physician. Properly labeled containers should include:
  - Name of student
  - Name of medication
  - Dosage of medicine
  - Time to be taken
  - Date to be given
  - Name of physician prescribing the medication
4. The **student shall be responsible** for going to the school office for the medication at the proper time. If the health of the child could be substantially impaired if medication is forgotten or administered early or late, parents should keep the child at home or be personally responsible for administering the medicine at the prescribed time.
5. When a student has a sore or scratchy throat, he/she may bring cough drops in a

plastic bag marked with the child's name and accompanied by a note of parental permission. These will be kept by the teacher and used by the child as needed.

### **NONCUSTODIAL PARENTS**

In compliance with the provisions of the Buckley Amendment, Saint Andrew Catholic School will provide the noncustodial parent access to academic records and to other school information regarding his/her child. Unless there is a court order to the contrary, a noncustodial parent is welcome to schedule a parent-teacher conference to discuss a child's progress and will be provided with a photocopy of the child's report card, if requested in writing. Charges may apply if photocopies are requested to mail. The school has 45 days to comply with requests for records. The custodial parent is required to file a notarized copy of the portion divorce decree that deals with custody arrangements.

### **PARENTS AS EDUCATORS**

Parents are recognized as the primary educators of their children. A partnership between parent and teacher based on frequent communication and mutual respect and support will result in the most productive educational experience for the child. Parents are encouraged to promote a strong work ethic and positive attitude toward school because this will be reflected in the attitude of the child.

### **PARENTS AS VOLUNTEERS**

Volunteers are a vital part of the St. Andrew Catholic School community. Some may help during the school day, while others fulfill their obligations by helping the Home & School Organization with fundraising and other projects.

All volunteers are reminded of their obligation to fill a need as specified by the principal or group leader. Any parent wishing to volunteer during school hours must complete the required clearances set by the diocese and sign a confidentiality statement regarding the protection of children in the school.

### **PERSONAL BELONGINGS**

Students are responsible for all personal belongings. Only items pertinent to learning are permitted in book bags, lockers, etc. Electronics, trading cards, toys, etc. should be kept at home. The school is **NOT** responsible for lost or stolen items that are not permitted at school.

### **PHYSICAL EDUCATION**

Each grade will attend a gym class once a week. No child is excused from this class unless a note from the parents or doctor is presented. To ensure the child's safety, sneakers must be worn during the gym period. On the day assigned for gym class, regulation gym uniforms purchased through the school uniform suppliers will be worn to school instead of the regular school uniform. In warmer weather upon an announcement by the principal, students will be permitted to wear the regulation school gym shorts. Students in grades 1, 3, 5, 7 & 8 have PE on Mondays. Students in grade PK, K, 2, 4, & 6 have PE on Thursdays.

### **PRINCIPAL'S RIGHT TO AMEND**

The principal retains the right to amend the handbook for just cause. Parents will be notified if/when changes need to be made.

### **PROMOTION AND RETENTION**

Progress through the grades is based on academic achievement as well as age, maturation, and social development. It is expected that most students will meet the requirements of each grade level. However, some children may have trouble mastering the academic requirements and may benefit from retention. The teacher will notify the parent as soon as any serious deficiency has been detected. If the student is still struggling by the end of the second trimester, parents will be informed that retention is being considered.

### **RE-ADMISSION POLICY**

For a student to be eligible for re-admission to Saint Andrew School, the family and student(s) must meet the following criteria:

1. All regular admission documentation is provided.
2. The Exit Survey on file qualifies/disqualifies the family and student for re-admission.
3. In the absence of an Exit Survey, these additional requirements are necessary:
  - a. Student had been in good standing academically and behaviorally prior to his/her un-enrolling.
  - b. Parents must have no outstanding balances in any school account.
  - c. Parents had adhered to the responsibilities of school parents, as listed in the school handbook:
    - *To be a partner with the school in the education of your child.*
    - *To understand and support the religious nature of the school.*
    - *To read all communications from the school and to request clarification when necessary.*
    - *To know who your child's teachers are and to observe parent-teacher conference date and any special requests for meetings.*

### **REDIKER COMMUNITY PORTAL**

The Rediker Community Portal **also known as Plus Portals** is available to parents/guardians and students. This portal contains school directory information, emergency contacts, report cards, and progress reports. Students and parents/guardians in the middle school will have access to grades. The following guidelines will be implemented:

- A minimum of one grade per week will be posted to the Rediker Grade Book by 3:00 p.m. each Friday.
- Student scores for all graded assignments will be posted within ten calendar days of the assignment due date.
- If multiple assignments are entered at one time (i.e. homework, quizzes, projects, activities, etc.), there will be an appropriate due date entered for each assignment.

### **RELIGIOUS EDUCATION**

All students enrolled in Saint Andrew Catholic School will participate in every aspect of the school's religious education program except for some phases of sacramental preparation. These requirements include attendance at the regularly scheduled classes in religion, fulfillment of course requirements, and attendance at religious functions that are part of the school program.

### **REPORT CARDS AND GRADING**

Report cards are issued three times per school year. Final report cards will be withheld if there are any outstanding balances due. Grades are based on class work, homework, class participation, projects, and other forms of assessment.

Midterm progress reports are issued to inform parents of the child's performance.

Saint Andrew School follows these guidelines from the Diocese of Harrisburg for evaluating student scholarship:

In recent years, a great deal of research has been completed on instruction, assessment, and grading. Best practices of differentiated instruction and assessment have enhanced our teaching. As teachers of the Diocese of Harrisburg, we believe that parents are the primary educators of their children; therefore, our teachers are partners with the family in the educational process. As partners in Catholic education, it is important ongoing communication regarding a student's educational development be accessible throughout the trimester.

**The Diocese of Harrisburg's Grade Reporting System is comprised of multiple pieces of information including, but not limited to:**

- Information provided in Parent Portal (middle school access only)
- Periodic progress reports
- Portfolio reviews
- Alternative assessments
- Parent conferences
- Standardized tests

The goal of a complete system is to maintain adequate information about a child's growth over time as a student. This formal reporting document is **only one piece** of the complete system which assists in communicating and administrators.

**Grade Report**

As teachers review the Grade Report, they will see both subject areas (highlighted) and specific goals/standards. Goals/Standards based on the Diocesan Curriculum are listed under each subject area to be assessed. **Christian Values** and **Work Habits** will be listed on all grade reports, using the marking code E, P, or I.

The subject areas to be assessed for each grade are as follows:

**PRE-K Marking Code**

Students in the pre-kindergarten program are assessed based on the benchmarks established by the Diocese of Harrisburg in areas of independence, social/emotional/character development, reading readiness, math readiness, visual/motor development, and religion.

**Kindergarten and Primary Marking Code**

Subject Area	E, P, or I
English Language Arts	K-3 <sup>rd</sup> Grade
Mathematics	K-3 <sup>rd</sup> Grade

**E= Exceeds Expectations:**

The student learns independently and can accomplish new skills acquisition without support of the teacher. **The student is able to apply knowledge to new material and beyond, easily and independently.**

**P=Proficient:**

The student can accomplish skills with support of the teacher and classroom setting. Application of newly learned material is achieved within standard measure of time. **The student easily works with new skills in a group setting but is not yet independent.**

**I= In Progress:**

The student at this level needs repeated practice over an extended period to acquire new skills. **The student is unable to apply new skill, work independently or with a group. The student often requires individual teacher support.**

Please note that even though art, music, physical education, technology, social studies, and science are not included in the kindergarten and primary grade report, these subject areas are to be integrated into the ELA and/or math curricula.

**The “F” student needs to be assessed to a full extent and a LEARNING PLAN MUST BE DEVELOPED for the student to succeed. Furthermore, serious consideration needs to be given by parents and teachers as to the student’s continuance in the regular program of the school.**

### **SACRAMENTAL PREPARATION**

Students celebrate the Sacrament of Reconciliation and receive Jesus in the Eucharist for the first time in second grade. A parent involvement program is used for the sacramental preparation of the students. The diocese mandates that parents of children in sacramental programs attend doctrinal update meetings and those students have **two years** of religious education. The parish director of religious education will provide second grade parents with sacramental dates and meetings.

### **SCHOOL BOARD**

The school board is an advisory board responsible to the principal and pastor of Saint Andrew Parish and to the Diocese of Harrisburg. According to Called to Govern, the purpose of the board is to provide support for the principal and to recommend policies for the school.

### **SCHOOL PICTURES AND YEARBOOK**

School pictures are taken in the fall and spring of each year. Fall pictures require students to wear their uniforms. Purchase of these pictures is optional. A school yearbook containing class pictures and candid photos will be available for purchase at the end of the school year.

### **SCHOOL SUPPLIES**

Parents will be notified of the materials a student will need at the end of each year to take advantage of summer bargains.

## **STANDARDIZED TESTING**

Standardized tests provide important information concerning student progress and the effectiveness of the instructional program. The following assessments are administered to our students:

The Renaissance STAR test (K-8) and Acadience (formally known as DIBELS) Benchmarks (K-6) will be administered during each trimester to track progression or regression throughout the school year (Gr. K-8). The data from these benchmarks will be used to identify which students are or may be at risk for reading and/or math difficulties. It is the school's responsibility to communicate the results to parents in a timely manner and ensure that instructional support is provided both in and out of the classroom.

The Algebra Keystone, which assesses proficiency at the end of a course, are administered to seventh and/or eighth grade students who have completed the course of study in Algebra I. The results help to determine placement in future math courses both at St. Andrew and as each child enters high school. Parents receive an official copy of their child's results. Those who may not pass the Algebra Keystone on the first attempt may be given a second opportunity to study and retake the assessment. These opportunities will be communicated to students and parents in a timely fashion.

The DIAL-3 is a norm-referenced screening instrument meant to identify academic readiness and mental maturity of students entering Kindergarten. Results are reviewed by the classroom teacher prior to the start of the school year. Additionally, parents are provided with a report listing their child's strengths and weaknesses as well as ideas/tips to work on over the summer before entering kindergarten.

## **STUDENTS WITH HIV/AIDS OR RELATED DISEASES**

Students who are HIV infected or have AIDS or other related diseases and desire to attend a diocesan elementary or secondary school will not be denied admission to or discriminated against solely because of their medical condition.

However, the school does reserve the right to dismiss a student or curtail a student's activities (curricular, co/extracurricular). This will be conducted on a case-by-case basis by the principal in consultation with the student's attending physician if it is determined that a student presents a substantial risk to himself/herself or others.

If, for reasons of health or safety, a student can no longer continue to attend classes, arrangements for alternative instruction will be determined by the principal and the parents/guardians.

Parents/guardians are expected to inform the principal if or when their child has HIV/AIDS or related diseases in order that the school principal can provide for the protection of the child and other individuals in the school.

This school follows the Universal Precautions to Prevent the Spread of Infectious Diseases to reduce the risk of employees, volunteers, and students.

## **STUDY AND HOMEWORK**

A reasonable amount of time each evening should be spent in preparing for class. Homework is a helpful educational tool that reinforces the study skills presented in class, teaches the student to work independently, and gives the student time to complete projects that require individual and creative effort. Basic to all successful homework is the attitude of parents. When parents show an interest and concern, the child will also show interest. Supervision and guidance of homework are encouraged, especially in the lower grades. Parents should also assist students by providing a quiet time and a workplace suitable for study. All homework will be posted on Google Classroom, email, planner, or other form of communication provided by the classroom teacher.

The amount of homework given is left to the discretion of the teacher. The following time allotments are suggested.

<b>Grade</b>	<b>Minutes</b>
PK	Teacher's Discretion
K-2	Max. 20 Minutes
3-4	Max. 40 Minutes
5-6	Max. 60 Minutes
7-8	Max. 80 Minutes

## **TARDINESS**

Tardiness is disruptive to the academic atmosphere AND the educational progress of the class. This issue is also contrary to responsible work habits later in life. Our morning begins with prayer at 8:35 AM and academics immediately after. Therefore, children arriving after 8:35 AM are considered tardy. Tardy students are required to enter school through the office and must be signed in by a parent/guardian. Children arriving later than 10:00 AM or leaving before 2:00 PM are considered absent for one half day. Bus riders are exempt since our school cannot dictate nor control arrival times.

At times, tardiness is inevitable (appointment, illness, car trouble, sleeping in, traffic, etc.). For that reason, a child is permitted 50 minutes of unexcused tardiness per year. Be advised, however, after that grace period has expired, tardiness will be labeled either EXCUSED or UNEXCUSED by the principal. Upon the student earning three occurrences of tardiness, the principal may report the student to the district truancy officer.

## **TELEPHONE**

Students and teachers cannot be summoned for incoming phone calls during class time. Messages will be relayed by someone in the school office. Teachers will return phone calls in a timely manner (24-48 hours).

The use of the telephone by students is restricted to urgent situations and requires the permission of the principal.

## **TUITION POLICY**

Each year the pastor, principal, financial coordinator, and the school board determines the cost of educating a student attending Saint Andrew Catholic School. Tuition rates are set prior to the

end of January and are communicated electronically to parents.

1. A tuition contract must be signed by parents/guardians each school year. Tuition is handled with the utmost confidentiality.
2. Every family must register on the **STS tuition management system** for billing of tuition and other incidental expenses (i.e. lunch, milk, school supplies, etc.)
3. Tuition may be paid in full, annually or in ten monthly payments: July through April. Payments are due the tenth of each month. Payments must be made regularly and on time or a late fee will be added. Saint Andrew Catholic School reserves the right to immediately terminate educational services to families who are three or more months late in payment.
4. School tuition provides most of the operating funds to pay salaries and ensure normal operation and functioning of the school. Families who do not fulfil financial obligations will not be able to return for the following school year and will have their account forwarded for further collection efforts. Parents will be responsible for all collections fee (currently 30% of the unpaid balance), legal fees, filing fees, service costs and discernments incurred as a result of the collection efforts.
5. A \$100 placement fee is charged annually (end of January) for each family. This fee is non-refundable and deducted directly from your annual tuition in July. If you fail to return your intent to return by the due date, you will automatically default to enrolling for the next school year. The placement fee is billed to families via the **STS tuition management system**. Parents will be notified ahead of time before the expense is billed to their account.
6. Families who make the commitment to attend Saint Andrew for the next school year are 50% tuition committed by May 1st and 100% tuition committed by July 1<sup>st</sup>. Following July 1, parents/guardians are obligated to pay the entire annual tuition if the student(s) voluntarily leaves or is expelled prior to the end of the school year. Exemptions will be made for family relocation, identified special education needs, extended student illness, economic hardship, and any other reason deemed appropriate by the principal, director of admissions & enrollment management, and Pastor. Please contact the director of admissions and enrollment management immediately if you experience any financial difficulties concerning tuition.

### **VIRTUAL LEARNING**

Although virtual learning will not be offered on a full-time basis, there may be special circumstances that arise that require a whole class or the study body to participate in virtual learning days. Some reasons may include a group quarantine where the entire class logs on from home and receives live instruction from the classroom teacher. Virtual learning may also take effect once we have exhausted our (5) Flexible Instructional Days for weather related closings.

No matter the size of group, we understand the hardships of expecting students to sit in front of the screen for a long period of time. For that reason, we will do our best to combine live instruction with independent work away from the computers.

When a virtual learning day has been announced for either a classroom or the whole school, this schedule will be followed...

- 8:40 AM- Log in to Google Classroom for Morning Prayers
- 8:45 AM- 12:00 PM- Live Instruction
- 1:00 PM- 3:00 PM- Independent Assignments

## **VISITORS**

Parents and other interested persons are welcome to visit our school. Calling the school ahead to schedule an appointment will insure a more satisfactory visit for all parties. All visitors are asked to report to the school office upon arrival to obtain a visitor's pass.

Parents or other visitors are not to go directly to the classrooms to summon a student or confer with a teacher. **If it is necessary to deliver forgotten items, parents/visitors should report to the school office FIRST.** If a meeting is requested with a teacher, an appointment must be arranged outside of the teacher's instructional time.
