

UNIFORM POLICY

2023-2024

WHY WEAR UNIFORMS?

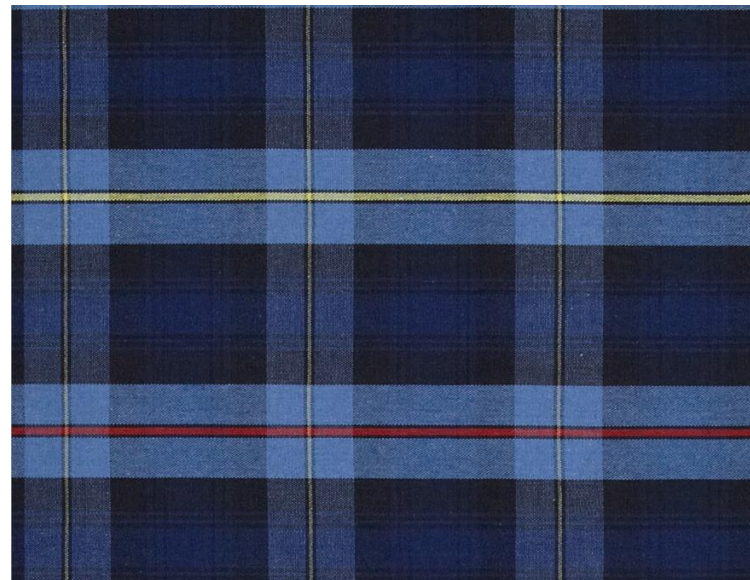

- Simplifies dressing
- Reduces peer pressure and social stigmas
- Encourages distinctions of character
- Places emphasis on learning, not clothing
- Equalizes economic diversity
- Lowers long term clothing costs
- Allows for cohesive presentation as a group
- Facilitates security
- Enhances school spirit
- Makes laundering simple

WHY ARE WE UPDATING OUR LOOK?

Traditional blue plaid has been a staple at St. Andrew for many years; however, it is also the adopted plaid at two of our local competitor private schools. Our students are often mistaken for attending these other schools when out in public. In efforts to create our own identity and stand out, we are phasing in a new look over the next few school years. Our hope is that by the 2025-2026 school year, we will have a sleek new look to begin the next 100 years at Saint Andrew.
